

APRIL 27TH, 2019 HOPE EQUINE

Open House 10:00 am – 4:00 pm

Hope Equine is dedicated to the rehabilitation of abused, neglected, and unwanted horses. We work closely with the Polk County Sheriff's Office and take in many horses that they have had to seize. We are not only a rehabilitation center but we are also an adoption center. We are a nonprofit organization that is run 100% off of donations from the public. Come out and meet our team of dedicated volunteers and see what they do to make a difference.
